Choose DVS for a healthier home

Excess moisture in your home leads to condensation and the growth of mould, mildew and dust mites that can cause asthma and allergies.

Ventilating your home with fresher, drier air vastly improves the quality of the air that you and your family breathe and that's got to be better for your health!

**Did you know we can install a
DVS Ventilation System in your home**

WORK CHRISTMAS PARTY 2017

Venue: needs to be **central** and
have **lots of parking** (free parking???)
Is that possible in Auckland during
Christmas Party Season??)

STRESS

Entertainment: Something that gets
everyone talking - plus a band for after?

Food: needs to be Christmassy,
a buffet would be ideal as there are
so many of us...

Drinks: we definitely need a bar...

Oh god do I have to do **decorations??**
I DON'T HAVE TIME!

Where on earth has ALL THIS??
