Epsom Dentalcare takes pride in providing our clients with world class treatment by a highly skilled and caring team. We understand that some people have mixed emotions about the dentist, but after successfully treating hundreds of patients for general, restorative, cosmetic dental and orthodontic treatments, we've seen it all and really go out of our way to make sure your visit is comfortable and an enjoyable one.

Epsom Dentalcare also knows that affordability can be a key factor holding people back from getting the smile they deserve. That's why we offer affordable, in house interest free payment plans.

Choose DVS for a healthier home

Excess moisture in your home leads to condensation and the growth of mould, mildew and dust mites that can cause asthma and allergies.

Ventilating your home with fresher, drier air vastly improves the quality of the air that you and your family breathe and that's got to be better for your health!

**Did you know we can install a
DVS Ventilation System in your home**

Sinking floors? Cracked walls?

We raise, re-level and re-support sunken homes, factories and driveways. Our proprietary Teretek® solution is the modern alternative to traditional underpinning; it's non-invasive, like "key hole" surgery. We can solve your problems quickly, cost effectively and most of all, provide you with peace of mind.
