Top drops for Winter!

**Te Mata Estate
Chardonnay
2016**

Classic Hawke's Bay Chardonnay.
Iconic Hawke's Bay producer Te Mata has crafted yet another solid Chardonnay. From a great vintage that has been singled out particularly for its chardonnay quality, this wine delivers well above it's price bracket & offers outstanding quality for the money.

18.99

**Church Road
Grand Reserve Syrah
2015**

Hugely exotic, silky and powerful.
Ranked #3 in Cuisine Magazine's annual tasting, this is the type of Syrah that is putting Hawke's Bay on the world wine map. A flagship brand but the Grand Reserve is seldomly promoted, get your case today while we still have stock!

34.99

**Bunnahabhain
Islay Single Malt
12 YR**

Approachable & affordable aged Single Malt from Islay.
Legendary in it's own right and a top seller at FWD Co, this Islay Malt was a gold medal winner at The World Whiskies Awards in 2014. At this incredible price your penny pinching inner Scotsman will love you for it!

89.99

**Harrington's East
Indies Lager and Rogue
Hop Pilsner 6pk**

Thirst quenching beer at unbelievable prices!
The iconic and highly praised Harrington's brewery has been brewing world-class beer for over 26 years. Their first goal was to brew good quality flavourful beer and in 2018 there's no sign of slowing down as the range now exceeds 15 different beers.

15.99/6pk

Thermal Optics

What is thermal?

A thermal viewer detects the difference in heat and displays it visually. It's like viewing night vision but your target is highlighted, and it works without ambient light or external illumination.

Does it work in daylight?

Yes, just as effectively as night time.

How far can I see?

This depends on resolution. Generally the more you spend, the higher the resolution, the further you can see.

Can I see through objects?

Thermal cannot see through solid objects, but it can help you see a target hidden behind foliage.
